Foster,  
I tried to email the survey, but your system bumped it back. So we faxed the Lila survey (DOGM tracking #0001, confidential date folder 06212006) to the 303-844-1538 number this evening around 5:00. Hope you received about 75 pgs.

Montgomery Archaeological Consultants submitted a cover letter and survey report. Snell and Wilmer also submitted this survey report with a separate cover letter.

We are sending the following attached documents:

- Cover letter: Montgomery Archaeological Consultants. June 21, 2006. (DOGM tracking #0150)
- (FAXED) Survey report: Patricia Stavish. June 21, 2006. Class II cultural resource inventory of the Lila Canyon Mine's area of potential subsidence. (DOGM tracking #0001, confidential date folder 06212006)

- Cover letter: Snell and Wilmer. June 22, 2006. (DOGM tracking #0152)

We'll be contacting you very soon. If you have any questions, please call Pam Grubaugh-Littig, Wayne Hedberg, or me.

Thanks.
